

Breen's drive

It's fantastic news to see that Craig Breen has landed a Peugeot factory drive (*Motorsport News*, January 30). Seems to be a case of the right man in the right car at the right time.

I'm sure Craig will continue to impress the bosses at Peugeot and you never know where the programme might go.

Maybe Loeb will take Citroën with him to the World Touring Car Championship, which could leave the way clear for Peugeot to step up to the WRC...with Craig at the wheel.

Or is that just wishful thinking?
