

Breen looks for miles with Rally Zlin attack

Craig Breen will make his Intercontinental Rally Challenge debut on Barum Rally Zlin next month in his Fiesta Super 2000.

The Irishman will contest the August 26-28 event to gain Tarmac experience. The Czech rally comes in between the two Tarmac events of his WRC Academy season in Germany and France.

Breen expects his experience from Ireland will put him in good stead: "Zlin is similar to Irish Tarmac rallies so that should be a big help."
